PROGRAM REQUIREMENTS

Who is eligible to participate and how do I apply?

There is a two-step process to qualify for Los Angeles County's DVBE program:

Step 1: Your business must be certified by one of these departments:

- The U.S. Department of Veterans Affairs (VA), which certifies a business as a Service Disabled Veteran Owned Small Business (SDVOSB). For more information on the VA's certification process, visit <http://www.va.gov/osdbu/>
- State of California, Department of General Services (DGS), which certifies a business as a Disabled Veteran Business Enterprise (DVBE). For more information on the State's certification process, visit <https://caleprocure.ca.gov/pages/index.aspx>

Step 2: You must register as a vendor with with Los Angeles County.

ADDITIONAL INFORMATION

Community Business Enterprise

Program: Disabled Veteran Owned Businesses certified by DCBA will automatically qualify for inclusion in the Community Business Enterprise (CBE) program to avoid having to apply for two separate programs. The County's CBE listing is an invaluable resource used by many County departments, public agencies, private-sector prime and subcontractors to meet subcontracting goals.

Purchases not eligible for DVBE Preference:

- National contracts
- Revolving fund (petty cash) purchases
- Purchase card (credit card) purchases
- Purchases less than \$5,000
- Contracts funded by Federal grants where there are conflict requirements for minority-owned or female-owned business participation

**The actual preference is calculated on the cost or price component of the lowest most responsible and responsive bid amount. The bid price reduction cannot exceed \$150,000. The 15% preference is used only to determine the lowest bidder or proposal and does not change the amount of contract award.*

Note: The criteria to qualify for this preference program may change. For the most up-to-date information on program eligibility, please refer to the DCBA website.
